

## Queen Elizabeth II Medical Centre Improvements

### Perth Children's Hospital has opened!

Princess Margaret Hospital staff and patients enjoyed a smooth transition to the Queen Elizabeth II Medical Centre and are settling in to the world class facilities of the Perth Children's Hospital (PCH).

PCH is the State's new, dedicated children's hospital and the centrepiece of the child health care system, providing 298 beds with the design of the building allowing for future expansion.

PCH provides specialist paediatric care for the children and adolescents of Western Australia and features specially designed interactive art works and play areas both internally and externally, stunning views into Kings Park and an underground car park with 300 general purpose visitor parking bays.

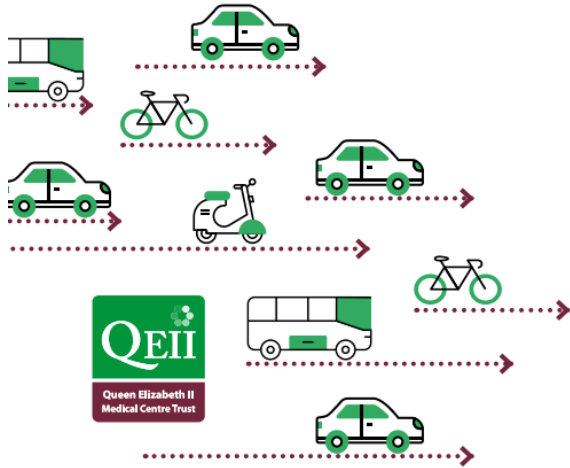

Outpatient clinics commenced on 14 May 2018, with the first elective surgeries held on 28 May 2018. The commencement of emergency department functions and the final move from Princess Margaret Hospital to PCH took place on 10 June 2018.

The Telethon Kids Institute also joined the campus on 13 August 2018!

# Your Guide to QEIMC

Access in and around the campus

## Your Guide to QEIMC

Do you have questions about access in and around the Queen Elizabeth II Medical Centre?

Wondering what public transport services come to the QEIMC? Searching for bike parking? Do you want to know more about carpooling? Are you trying to find out how to apply for a parking permit?

Find the answers and much, much more all in one place in [Your Guide to QEIMC!](#)

## Master Planning

### Have your say in the future of the QEIMC.

Thank you to all those who have contributed valuable feedback, viewpoints and ideas towards the new phase of QEIMC Trust master planning.

[It isn't too late to have your say, share your ideas and take part in the QEIMC Master Planning surveys.](#)

Stakeholder consultation is an essential part of planning campus developments for the decades to come. Find out more at the QEIMC Futures website:

## Garden and Grounds

Landscaping improvements to the north of PCH continue with Stage 2 of works scheduled to commence soon. This green space will provide a pleasant walkway for staff, patients and visitors accessing the Northern Entrance of PCH along with acting as a relaxing rest area for all QEIMC campus users.

The demolition of F Blk is complete and has left newly available space that is brimming with potential! This area will soon be undergoing works to transform it into a beautiful and welcoming piazza.

## Travel Smart

For any public transport questions, timetables, route planning advice get in touch with the TravelSmart Junction:

**TravelSmart Junction, E Block, Ground Floor, QEIMC**

**Ph: 6457 2927 / 6457 4085**

**Email: [MCTravelSmart@health.wa.gov.au](mailto:MCTravelSmart@health.wa.gov.au)**

SmartRider top-up facilities are available if you need to add some balance to your card. You can also purchase a standard SmartRider or application forms are on hand for most types of concession card. The TravelSmart Junction can also assist with Corporate SmartRider applications, information on Bike End of Trip Facilities and has a fleet of hire bikes available.

**Interested in Carpooling?** Check out the [guidelines](#), [read the FAQ here](#) or [add your details to the register](#).

## IMPORTANT NOTICES

### Smoking is not permitted anywhere on the QEIMC campus.

Please note the [No Smoking Policy](#) for the QEIMC includes all car parks and all external perimeters of buildings, including on Winthrop Avenue.

If you choose to smoke, please walk away from the QEIMC campus and dispose of your butts responsibly.
